Deb –

EPA's Unconventional Oil & Gas Point of Contact group have been meetings for several years. Joan Card was the R8 rep when she was here and I have been serving as such since her departure.

This group meets fortnightly – the next meeting is Feb. 6 at 11:00am MT.

Attached is an FAQ about the group as well as the list of current UOG POCs from the various EPA offices.

Who shall take over this role now for Region 8?
